

DIGITAL STUDIES

Research Pathways

Undergraduate research is a cornerstone of our mission at Rutgers–Camden. Our goal is to provide as much support as possible in order for you to have a successful research experience. We offer research grants worth up to \$1,500.00, and travel grants of up to \$2,000.00. Travel grant applications are accepted on a rolling basis, while research grant applications are deadline-based: September 30, December 2, and April 28.

Additionally, for digital studies majors, your faculty recommend taking the following courses to ensure you are “research-ready:”

- 50:209:200 Digital Research Methods
- 50:209:210 Multimedia Thinking
- 50:209:230 Creative Coding

Digital studies students also have the option to apply to be a paid researcher in the Digital Studies Center! Look for openings on Handshake or email Doreen Wheeler, Program Coordinator, at wheelerd@camden.rutgers.edu. During your interview, tell the Digital Studies Center faculty what kind of existing projects you’d like to join, or what kind of new projects you’d like to create!

The faculty listed below are Research Mentors who encourage you to contact them to learn more about research opportunities:
