

GENDER STUDIES

Research Pathways

Undergraduate research is a cornerstone of our mission at Rutgers–Camden. Our goal is to provide as much support as possible in order for you to have a successful research experience. We offer research grants worth up to \$1,500.00, and travel grants of up to \$2,000.00. Travel grant applications are accepted on a rolling basis, while research grant applications are deadline-based: September 30, December 2, and April 28.

Gender studies majors are recommended to see out a faculty member whose research interests you and see what opportunities are available!

The faculty listed below are Research Mentors who encourage you to contact them to learn more about research opportunities:
