Research Pathways

Undergraduate research is a cornerstone of our mission at Rutgers–Camden. Our goal is to provide as much support as possible in order for you to have a successful research experience. We offer research grants worth up to \$1,500.00, and travel grants of up to \$2,000.00. Travel grant applications are accepted on a rolling basis, while research grant applications are deadline-based: September 30, December 2, and April 28.

Political science majors are encouraged to reach out to any member of the department to inquire about doing research. The department also would like to highlight the National Security Certificate Program and the Legal Studies minor, both of which offer research courses.

The Political Science Honors Program also offers the opportunity for students to engage in rigorous research.
