

URBAN STUDIES

Research Pathways

Undergraduate research is a cornerstone of our mission at Rutgers–Camden. Our goal is to provide as much support as possible in order for you to have a successful research experience. We offer research grants worth up to \$1,500.00, and travel grants of up to \$2,000.00. Travel grant applications are accepted on a rolling basis, while research grant applications are deadline-based: September 30, December 2, and April 28.

Urban studies majors are recommended to take the following courses before engaging in research:

- 50:975:250 Community Fieldwork in Camden
- 50:975:306 Basic Methods of Urban Planning
- 50:975:400 Community Development

Additionally, urban studies majors are encouraged to reach out to any member of the department to inquire about doing research.
