

WORLD LANGUAGES AND CULTURES

Research Pathways

Undergraduate research is a cornerstone of our mission at Rutgers–Camden. Our goal is to provide as much support as possible in order for you to have a successful research experience. We offer research grants worth up to \$1,500.00, and travel grants of up to \$2,000.00. Travel grant applications are accepted on a rolling basis, while research grant applications are deadline-based: September 30, December 2, and April 28.

For all language majors, there are two things that are optimal before engaging in research:

- Proficiency/Knowledge of the Language
- Content Knowledge

The faculty listed below are Research Mentors who encourage you to contact them to learn more about research opportunities:
